**ARCHDIOCESE OF LOS ANGELES  
CHILD ABUSE AND NEGLECT REPORTING FORM**

<input type="checkbox"/> MANDATORY	<input checked="" type="checkbox"/> NON-MANDATORY
Date Reported to the Archdiocese:	April 23, 2010
Reported to Archdiocese by:	REDACTED
Alleged Victim :	
Current Address:	
Telephone:	
Date of Birth:	REDACTED 1958
Alleged Perpetrator:	Fr. Ginty, RIP
Reported Date of Incident (s)	Several times while REDACTED : was in 3 <sup>rd</sup> grade; 1966 or 1967
Reported Circumstances of Incident(s):	Fr. Ginty "played a touchy-feely game" with the kids. He would buy you an ice cream at lunch or recess on the playground, put his arm around you, ask if you wanted his hand to "go north, south, east or west," and then slip his hand under her uniform to grope her. REDACTED 3 <sup>rd</sup> grade teacher REDACTED became aware and went to the principal, REDACTED REDACTED was called into REDACTED office where in the presence of REDACTED and Fr. Ginty she was told that if she didn't ever "let this happen again" her parents would not be told. She does not believe it ever happened again but isn't completely sure. She disclosed to her parents when she was in her early 20's. They were shocked, angered towards the priest and school, and supportive of her.
Reported Type of Abuse or Neglect:	Sexual abuse; groping under her clothes.
Reports to Public Authorities with dates:	Although her 3 <sup>rd</sup> grade teacher and principal were both aware, no report was made by them. Disclosure to a therapist many years ago did not result in a report.
Comments:	This is the first time REDACTED has contacted the Archdiocese about Fr. Ginty. Therese contacted REDACTED today in part because her daughter is facing a similar situation in her life, in part because her pastor encouraged her to do so after learning of her story this past weekend, and in part because of all the stories about abuse currently in the news. She has a referral to a therapist already and will begin next week.  REDACTED suspects there are other victims of Fr. Ginty as well but did not offer names.
Report initiated by:	REDACTED
